

# Indescribable

Chris Tomlin

From the highest of heights to the depths of  
the sea

Creations revealing Your majesty

From the colors of fall to the fragrance of  
spring

Every creature unique in the song that it sings

All exclaiming

Indescribable, uncontainable

You placed the stars in the sky

And You know them by name

You are amazing, God

All powerful, untameable

Awestruck we fall to our knees

As we humbly proclaim

You are amazing, God

Who has told every lightning bolt where it  
should go

Or seen heavenly storehouses laden with  
snow

Who imagined the sun and gives source to its  
light

Yet, conceals it to bring us the coolness of  
night

None can fathom

Indescribable, uncontainable

You placed the stars in the sky

And You know them by name

You are amazing, God

All powerful, untameable

Awestruck we fall...

O Lord my God, When I in awesome  
wonder,

Consider all the worlds Thy Hands have  
made;

I see the stars, I hear the rolling thunder,

Thy power throughout the universe  
displayed.

Then sings my soul, My Saviour God, to  
Thee,

How great Thou art, How great Thou art.

Then sings my soul, My Saviour God, to  
Thee,

How great Thou art, How great Thou art

And when I think, that God, His Son not  
sparing;

Sent Him to die, I scarce can take it in;

That on the Cross, my burden gladly  
bearing,

He bled and died to take away my sin.

Then sings my soul, My Saviour God, to  
Thee,

How great Thou art, How great Thou art.

Then sings my soul, My Saviour God, to  
Thee,

How great Thou art, How great Thou art!

When Christ shall come, with shout of  
acclamation,

And take me home, what joy shall fill my  
heart.

Then I shall bow, in humble adoration,

And then proclaim: "My God, how great  
Thou art!"

## How Great Thou Art

Then sings my soul, My Saviour God, to  
Thee,

How great Thou art, How great Thou art.

Then sings my soul, My Saviour God, to  
Thee,

How great Thou art, How great Thou art!

# So Will I (100 Billion X)

God of creation

There at the start

Before the beginning of time

With no point of reference

You spoke to the dark

And fleshed out the wonder of light

And as You speak

A hundred billion galaxies are born

In the vapour of Your breath the planets  
form

If the stars were made to worship so will I

I can see Your heart in everything You've  
made

Every burning star

A signal fire of grace

If creation sings Your praises so will I

God of Your promise

You don't speak in vain

No syllable empty or void

For once You have spoken

All nature and science

Follow the sound of Your voice

And as You speak

A hundred billion creatures catch Your  
breath

Evolving in pursuit of what You said

If it all reveals Your nature so will I

I can see Your heart in everything You  
say

Every painted sky

A canvas of Your grace

If creation still obeys You so will I

If the stars were made to worship so will I

If the mountains bow in reverence so will I

If the oceans roar Your greatness so will I

For if everything exists to lift You high so  
will I

If the wind goes where You send it so will  
I

If the rocks cry out in silence so will I

If the sum of all our praises still falls shy

Then we'll sing again a hundred billion  
times

You're the One who never leaves the one  
behind

God of salvation  
You chased down my heart  
Through all of my failure and pride  
On a hill You created  
The light of the world  
Abandoned in darkness to die

And as You speak  
A hundred billion failures disappear  
Where You lost Your life so I could find it  
here  
If You left the grave behind You so will I  
I can see Your heart in everything You've  
done  
Every part designed in a work of art called  
love  
If You gladly chose surrender so will I  
I can see Your heart  
Eight billion different ways  
Every precious one  
A child You died to save  
If You gave Your life to love them so will I

Like You would again a hundred billion  
times  
But what measure could amount to Your  
desire
